Teaching Philosophy

My teaching philosophy is grounded in the furthering of our creative practices through the efficient transfer of design skills, theory, and the development of critical thinking. This includes the ability to effectively work on a team on industry-level projects that help prepare students with 21st Century Skills (P21) that will ensure their career readiness throughout their lives.

Academic Leadership Experience

2019 – 2020 **Dean of Academics, Academy of Design (AOD), Colombo, Sri Lanka**
In this role, I oversee all academics at AOD to ensure continuous improvement of the student learning experience, curriculum development, assessment, institutional effectiveness, and faculty development. In this role, I will work closely with the CEO, faculty, and other staff to coordinate quality submissions to competitions, manage operational and capital budgets for academic services, direct and coordinate academic activities, and formulate and administer policies and procedures.

2015 – 2019 **Associate Dean of Academics, SCAD Hong Kong.**
In this role, I oversaw all academics at the Hong Kong campus, ensured continuous improvement of the student learning experience, oversaw curriculum development, assessment, faculty, staff, and library performance, institutional effectiveness, and the registrar at SCAD Hong Kong. In this role, I worked closely with the vice president, faculty and other academic services staff to coordinate quality submissions to competitions, managed operational and capital budgets for academic services, directed and coordinated all academic activities, and administered policies and procedures.

Key achievements: *increased student retention from 84% to 93%. Oversaw the university maintain 100% employment (within 10 months of graduation) for 4 years in a row. Increased seat utilization from 54% to 79%, while supporting smart growth and timely graduation. Increased Thesis completion rate in every graduate program to 100% by systemically tracking and developing completion plans and schedules. Lead key developments with industry by leading Collaborative Learning Center projects (increased revenue, employment for students, and industry experience) including projects with BASF, FANCL, Commonwealth Bank of Australia, Sino Group, Hong Kong Development Bureau, Hasbro, Universal Studios Japan, and Chanel.*

2013 – 2015 **Associate Chair, School of Communication Arts, SCAD Hong Kong.**
In this role, I oversaw academics for the School of Communication Arts (Advertising and Branding, Graphic Design and Visual Experience, Illustration, Sequential Art, and Photography) at the SCAD Hong Kong location; Including faculty performance, adherence to academic policy and procedures, managing the operational and capital budgets, directing and coordinating all program activities.

Key achievements: *Increased Thesis completion rate in the graphic design graduate program to 100% by systemically tracking and developing completion plans and schedules. Lead key developments with industry by creating and leading Collaborative Learning Center projects (increased revenue, employment for students, and industry experience) including projects with Delta, Ocean Park, HSBC, and Mira Group.*
